## Drug Screen

**Employee Name** agrees that he/she will have a pre-employment drug screen and if he/she quits or is fired before the first 90 days is complete; a \$35 fee for the drug screen will be deducted from the **Employee's** final paycheck. This policy also is effective if an employee fails a random drug screen at any time; he/she will be deducted \$35 from their final paycheck to cover the cost of the drug screen.
